**PETITION FOR REFUND OF EXTENSION OF TIME FEES
AND/OR TO RESET TIME FOR RESPONSE PURSUANT TO M.P.E.P. §710.06**

TO THE COMMISSIONER OF PATENTS:

Dear Sir or Madam:

Applicant hereby Petitions for a refund of the Extension of Time Fees (in the sum of \$2,160) which were submitted along with a Response to Restriction Requirement on November 8th, 2005, and alternately, petitions to reset the time for response to the subject Restriction Requirement (mailed to the erroneous address on May 16, 2005). This Petition is based on the enclosed declarations of attorney Dale C. Barr and Mark L. Lorbiecki.

FACTS IN SUPPORT OF PETITION

1. A Restriction Requirement was mailed by the Patent Office on May 16, 2005 to an incorrect address. Specifically, the correct address of the attorneys of record is 701 Fifth Avenue, Suite 4800, Seattle, Washington, 98104. The Restriction Requirement was mailed to 816 Second Avenue, Seattle, Washington, 98104.
2. The existence of the Restriction Requirement was discovered by the attorneys of record during a routine status check using the PAIR (Patent Application Information Retrieval)

system on November 4, 2005, and was actually received by the attorneys of record on or about this same date. (Decl. of Dale Barr).

3. Applicant promptly filed a Response to the subject Restriction Requirement on November 8, 2005, along with Extension of Time Fees in the sum of \$2,160 (5 month extension) to avoid additional extension of time fees and/or abandonment of the application.

4. Upon further investigation, Applicants have determined that the Patent Office was previously made aware of the correct address of the attorneys of record by one or more means, including the filing of one or more Change of Correspondence Address forms, and also by official change of the address associated with the Customer Number(s) of the attorneys of record. (Decl. of Mark L. Lorbiecki).

5. Furthermore, file records demonstrate that the Patent Office had actual knowledge of the correct address in the above-referenced patent application because the Assignment Recordation document was mailed to the correct address on August 16, 2004, well in advance of the mailing date of the erroneously addressed Restriction Requirement (mailed on May 16, 2005).

6. Applicants respectfully submit that the foregoing facts constitute adequate grounds for refunding the Extension of Time Fees paid by Applicant on November 8, 2005, and/or resetting the time period for responding to the Restriction Requirement due to a defect and/or error in the Restriction Requirement pursuant to MPEP § 710.06, which defect or error is being brought to the attention of the Patent Office within one month of the actual date of receipt of the Restriction Requirement (November 4, 2005) by Applicant.

CONCLUSION

For the foregoing reasons, Applicant respectfully requests that its petition for a refund of the Extension of Time Fees in the sum of \$2,160, and/or to reset the time for response to the subject Restriction Requirement, be granted and that the subject Extension of Time Fees be refunded by crediting Applicant's Deposit Account Number . If there are any questions or concerns regarding this Petition, or any matters that may be handled by telephone conference, the Examiner is kindly invited to telephone the undersigned attorney.

Respectfully submitted,

BLACK LOWE & GRAHAM^{PLLC}

TO THE COMMISSIONER OF PATENTS:

I, Mark L. Lorbiecki, certify and declare as follows:

1. I am an attorney with the law firm of Black Lowe & Graham, PLLC and I am competent to testify to the facts stated herein.

2. As Managing Member of this law firm during the year 2004, I supervised the notification of the U.S. Patent and Trademark Office of the law firm's change of address, including the change of address associated with the patent application referenced above. This was accomplished over the course of several months beginning in approximately April 2004 and extending to approximately September 2004, and was accomplished in one or more ways.

3. Specifically, the change of address of this law firm was communicated in the following ways: (1) by officially changing the correspondence address associated with each and every one of the Customer Number(s) used by the attorneys of record (including the Customer Number shown below), and did so by means of spreadsheets filed with the Electronic Business Center of the U.S. Patent and Trademark Office, which changes of address were verified as being accomplished by subsequent checking, (2) by filing literally hundreds of individual Change of Correspondence Address forms in the individual patent applications being handled by this law firm, and (3) by first-class, postage-prepaid mailing (and/or by faxing on advise of a
